Ramfoundation

We are pleased to announce that **Diana Wind**, Director of the Stedelijk Museum Schiedam, has agreed to become our new chairperson, taking the place of our current chairman **Hein van Haaren**. Fortunately Hein will stay on our Board.

We wish to thank him for everything he has done for us in the past years.

Relocation

RAM and Ramfoundation are leaving the gallery space at the Blekerstraat this summer, which means you can no longer visit us there. The relocation will probably take a few months. Our new postal address is: Postbus 23021, 3001 KA, Rotterdam.

We have always attracted a great deal of visitors and collectors, which we greatly appreciated. Thank you for supporting us. This has stimulated and will stimulate us, the staff of RAM, the Board of Ramfoundation and the artists, to continue our activities together. We look forward to informing of our initiatives in the near future.

From the view of sustainability, but also because we wish to keep you up to date with all our latest news we should like to draw your attention to the possibility of subscribing to our digital newsletter. Please apply through our website: www.ram-art.nl/nieuwsbrief.

On behalf of the staff of RAM and the Board of Ramfoundation I would like to wish you a long and delightful summer,

Berry Koedam
